4. GEOALUMNI BOOK BANK

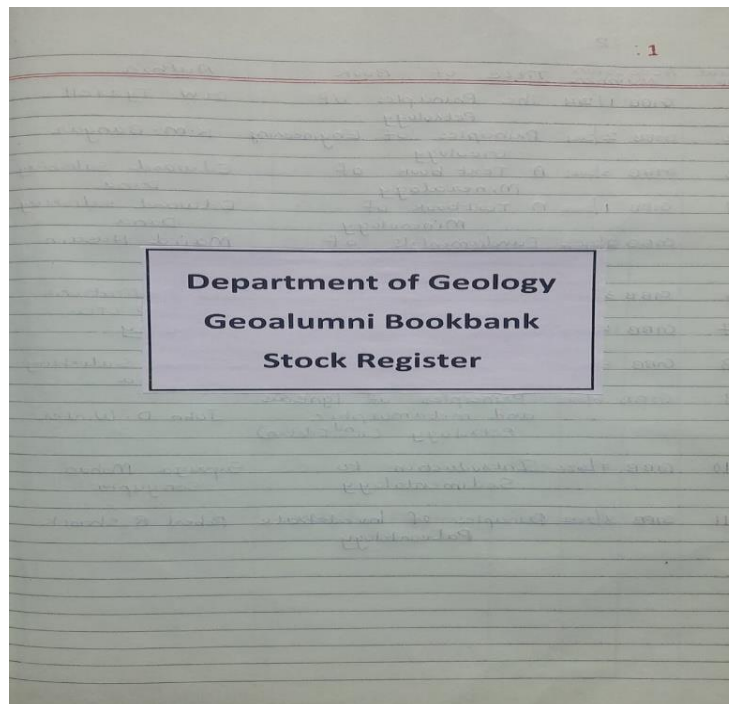

Objectives :

- To support the financially weaker students of the Geology Department

The Context:

The Geoalumni Book bank is the collection of Geology textbooks, memoirs, journals and periodicals which is contributed by the alumni of Geology Department. This practice is mainly to support financially weaker students who find it difficult to purchase costly text books related to the subject. Dr. Benno Joseph, the Head of the Department of Geology circulated a message to Geology alumni groups regarding the matter. Many students came forward with immense support for the initiative. 11 textbooks were received to the book bank. Ms. Anjaly S., Assistant Professor in Mathematics assigned the charge of the mission. A stock register and issue register are maintained.

The students can take textbooks per days, per weeks and per semester. After the term of completion, they are instructed to return the book.
