## Action Taken Report Based on Feedback

The Kristu Jyoti College of Management and Technology decided to consider the following suggestions provided by the students about the department and college before the Internal Quality Assurance Cell to take accurate steps to improve the same. The major decisions are:

- To accommodate more students and to be more systematic, a new examination hall was constructed which can accommodate more than 250 students at a time.
- New stocks of Library books as per the requirement were collected and stocked
- More online workshops, webinar was organized to effectively use the pandemic period.
- Offline classes were scheduled as per the government sanctions and try to incorporate more lab hours than theory classes.
- Talent day is conducted to boost the cultural skill and talents of the students. Students of all the departments participated in the program.
- Cultural and sports competitions were scheduled as before the pandemic era and added more events as part of it.
- Webinars and seminars were conducted by each department in their own field as part of the association activity
- More benches are built near to the cafeteria for the students and also the cafeteria renovated with more ambiance.
- More space is allowed for parking the vehicles of both students and faculties.
- More non-teaching staff are hired for office work to make the functioning of the college more perfect.
- Existing washrooms are renovated and also more washrooms are built for the students.
- Started yoga club by the college management to make the students more disciplined and various programs conducted by the club in the college.
