Action Taken Report Based on Feedback

The Kristu Jyoti College of Management and Technology decided to consider the following suggestions provided by the students about the department and college before the Internal Quality Assurance Cell to take accurate steps to improve the same. The major decisions are:

- To improve the college ambience, the college management worked on turning the campus into a complete Green campus by planting more plants and trees.
- For the welfare of the female students, sanitary napkin vending machines were installed in the campus.
- To overcome the break that occurred in the COVID pandemic years, more internships, seminars, and talk sessions were rescheduled.
- Management instructed all the departments to strengthen their association activities. Online association activities were organized. The Commerce department and the Psychology Department conducted intercollegiate fests.
- To improve the ambience of the campus, the surroundings of the college paved with original rock tiles.
- Post graduate department of commerce and post graduate department of psychology conducted inter college fests.
- To improve the academic performance of the students, various motivation classes were provided. The classes were mainly based on scientific and systematic learning.
- The psychology lab was renovated with more and new apparatus.
- New policies are implemented by the exam cell of the college regarding the systematic conduct of internal and model exams soon after completing the portions.
- Faculties joined NPTEL and Coursera courses to update themselves in their field and colleges started to provide financial assistance for certain courses for the faculties.
- To make the faculties more competent in their field, the management insisted that they join for part time PhD and a good number of faculties joined for PhD in various universities.
- Computer lab 1 is renovated and the area of the lab is extended and most modern features are incorporated in the lab.
