## Alumni Feedback Analysis & Action Taken Report 2019 - 2020

The graph depicts the feedback of Alumni about the curriculum in the academic year 2019 -2020. Most of the alumni are satisfied with the provided curriculum. A few respondents are not satisfied with certain areas such as field work and industrial visits, the examination system, professional ethics incorporated in the syllabus etc. At the same time respondents are very much satisfied with values added in the syllabus.

### Suggestions

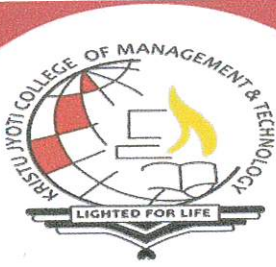

- Better to give much importance for field study and industrial visits.
- The present system of examination and internal valuation can be revised.
- Curriculum should make an aid for building professional ethics among students.
- Clubs should conduct activities beyond the wall of the college premises and extend its outcome to be benefited by the society.
- Soft skill development training should be implemented to mold team spirit and leadership traits of students.

## Parent Feedback Analysis & Action Taken Report 2019-2020

The graph depicts the feedback of parents about the curriculum in the academic year 2019 -2020. Most of the parents are satisfied with almost all areas of curriculum. Some parents are of the opinion that the curriculum is not sufficient for the creation of a dynamic personality.

### Suggestions

- The curriculum should consist of a syllabus that is capable of building the student as a dynamic personality.

### Action taken report on parent feedback

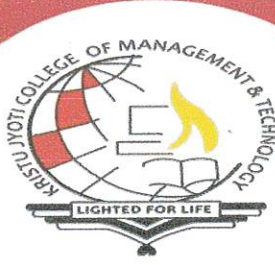

- Personality development training programs are organized by the college for overcoming the drawback in the syllabus.

## Employer Feedback Analysis & Action Taken Report 2019-2020

The graph depicts the feedback of employers about the curriculum in the academic year 2019-2020. Employers are satisfied with the curriculum of their employees up to a level.

### Suggestions

- Syllabus should be updated based on the recent developments in the industry.
- The curriculum should be updated in such a manner by utilizing the present scope of technology.
- Better to overcome the imbalance between theory and its application spotted in the syllabus.

### Action taken report on employer feedback

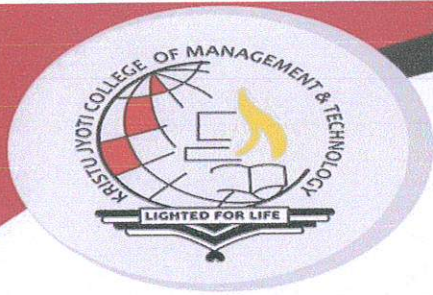

- College has initiated to organize seminars and open discussion by different resource persons with industrial experience to tackle the imbalance between theory and its application spotted from the syllabus.
- Started to utilize the available technology within the class for presenting the concepts included in the curriculum.

## Teachers Feedback Analysis & Action Taken Report 2019-2020

The graph depicts the feedback of teachers about the curriculum in the academic year 2019-2020. Teachers are satisfied with the syllabus, a few are in the neutral state regarding the curriculum. A few dissatisfactions are noted in case of clarity of the objectives, time factor, organization of the content etc.

### Suggestions

- Syllabus of certain subjects is lengthy, so timely completion is difficult.
- The objectives of the curriculum should be more clear.

### Action taken report on teacher's feedback

- Systematic plan for the completion of the syllabus was implemented by the college with the use of college and department academic plans
- To provide more clarity to the curriculum the management organizes orientation sessions.
