Student Feedback Analysis & Action Taken Report 2020-2021

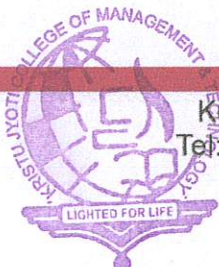

The graph depicts the feedback of students about the curriculum in the academic year 2020 - 2021. According to the chart, most of the students are satisfied with the curriculum. A certain percentage of respondents have neutral opinions regarding the curriculum. Some of the respondents have expressed their dissatisfaction regarding the inadequacy of the quality and quantity of the syllabus.

Suggestions

- It is better to remold the syllabus by reworking on its quality and quantity
- Faculties should encourage students more in the learning process, for that there should be a good space for informal communication between students and faculties.

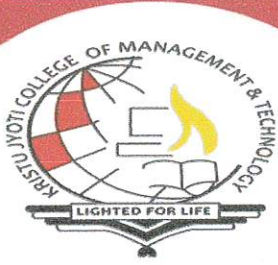

Action taken report on student feedback

- To promote informal communication and open discussion between students and faculties we have adopted the system of mentoring which is a platform that strengthens the student-teacher relation.
