Alumni Feedback Analysis & Action Taken Report 2021-2022

The graph depicts the feedback of alumni about the curriculum in the academic year 2021 - 2022. It is evident from the graph that alumni were satisfied with the curriculum which was provided to them. A few respondents are of the opinion that the curriculum fails to instill professional ethics among students.

Suggestions

- The curriculum should give more importance to experiential learning
- The management should incorporate ethical training along with the curriculum.
- Ethical viewpoints related to each course separated can be incorporated in the syllabus.
- The classes should be based on practical applications of the courses which can be helpful to the students to approach the job placement successfully.

Student Feedback Analysis & Action Taken Report 2021-2022

The graph depicts the feedback of students about the curriculum in the academic year 2021 - 2022. The satisfaction level about the curriculum is high from the respondents. Some of the respondents have a neutral opinion about the curriculum. According to the respondents the syllabus is really updated and it has the ability to support higher studies.

Suggestions

- The curriculum should include aspects promoting higher learning.
- Should promote more internships and field trips in the syllabus.
- Should update the syllabus and should make it relevant based on the present industrial condition.

Action taken report on student's feedback

- Initiated competitive exam training (MAT, CAT, Bank test coaching) to promote higher learnings.
- Field trips and more internships are provided to the students.
- Started to encourage students to attend internships and Outbound training and provided adequate directions to attend it successfully.

Parent Feedback Analysis & Action Taken Report 2021-2022

The graph depicts the feedback of parents about the curriculum in the academic year 2021 - 2022. Most of the parents are satisfied with the curriculum.

Suggestions

- The curriculum should consist of a syllabus that is capable of building the student with a dynamic personality.
- Training related to professional ethics should be given more importance.

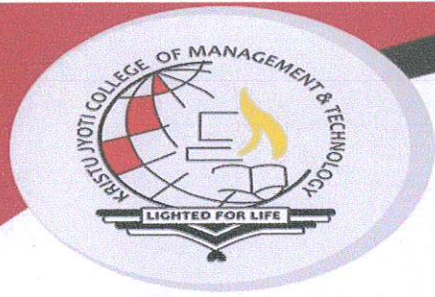

Action taken report on parent feedback

- Personality development training programs were organized by the college for overcoming the drawback in the syllabus.
- We have provided training based on professional ethics.

Employer Feedback Analysis & Action Taken Report 2021-2022

The graph depicts the feedback of employers about the curriculum in the academic year 2021 - 2022. A good number of employers has a neutral view on the curriculum.

Suggestions

- The curriculum should be framed in such a way that it meets the industrial requirements.
- The curriculum should have the capability to sharpen problem solving skills and team building.

Action taken report on alumni feedback

- Training necessary for team building and confidence are given to the students.
- Job oriented training is provided to the students.

Teachers Feedback Analysis & Action Taken Report 2021-2022

The graph depicts the feedback of teachers about the curriculum in the academic year 2021 - 2022. Teachers are almost satisfied with the curriculum. A small portion of teachers have dissatisfaction regarding the freedom for modification of syllabus.

Suggestions

- Syllabus of certain courses is lengthy, so timely completion is difficult.
- The objectives of the curriculum should be more clear.

Action taken report on teacher's feedback

- Systematic plan for the completion of the syllabus was implemented by the college with the use of college and department academic plans
- To provide more clarity to the curriculum the management organizes orientation sessions.
