Date	5th December, 2020	
Department	UNAI Chapter	
Total Attendance	50	
Mode	Online	
Faculty Coordinator	Ms. Meethu Mary George (Event head and UNAI KCMT Chapter Faculty Member)	
Report	<p>On World Soil Day, We the UNAI chapter of Kristu Jyoti College of Management and Technology had planned to put forth the idea of Creating Green Study Space to promote the 15th sustainable goal of UN for a better world: LIFE ON LAND i.e., Decorating our study space with beautiful and green plants will not only help with the beautification of the place but also provide us with a fresh environment for our education. Green spaces can promote mental as well as physical health and reduce morbidity and mortality by providing psychological relaxation and stress alleviation, stimulating social cohesion, supporting physical activities and reducing exposure to polluted air. The UNAI KCMT CHAPTER had also organized a photography and painting competition on 5th December 2020 behalf of World Soil Day. The topic given to the participants was LIFE ON LAND. Participation form was given to students through google form. Certificates were provided to the winners of painting and photography competition.</p>
