Report	A Collage competition in accordance with the International Happiness Day "The Most Happiest Day in Your Life" as a part of the awareness programme of one of the sustainable goals - *Good Health and Well-Being*. The event was conducted online with strict rules and regulations. Students were asked to e-mail their works along with a selfie as a proof.Students were supposed to prepare a collage that included photographs,paintings,magazine or paper cuttings which expresses the happiest day in your life. They were asked to submit a small write up on the theme of the collage, neatly written in A4 size paper which was not mandatory. The last date of submission was March 18,2021 8pm. The theme for this year's International Day of Happiness is 'Keep Calm. Stay Wise. Be Kind. ' and is, of course, in response to the COVID pandemic. As we face an ongoing global crisis together, this year's International Day of Happiness is a chance to find uplifting and positive ways to look after ourselves – and one another. The International Day of Happiness is an annual event organised by the United Nations to promote the idea that feeling happy is a global human right. Since 2013, the United Nations has celebrated the International Day of Happiness as a way to recognise the importance of happiness in the lives of people around the world. In 2015, the UN launched the 17 Sustainable Development Goals, which seek to end poverty, reduce inequality, and protect our planet – three key aspects that lead to well-being and happiness.
