Report	<p>The United Nations Academic Impact Chapter of Kristu Jyoti College of Management and Technology in association with IQAC of Kristu Jyoti College of Management and Technology, Changanacherry organized a pledge program on World Book Day. The program was conducted on a class wise basis in which a representative of the UNAI KCMT Chapter of the particular classes took the oath along with other members of the class. The Platform used was Google Meet and WebEx. Each and every student and class faculty of the college participated wholeheartedly. The oath was all about improving the reading habits of the youth and opening new pathways to wisdom and knowledge. The class tutors addressed the day and talked all about books, reading and way more. The outcome of the program was to create an insight into the minds of the students regarding detaining and depleting reading habits and how book are always the most and more important source of knowledge even if centuries passes.</p> <p>The session ended with the vote of thanks delivered by the respective class representatives.</p>
