The programme was conducted by Mr. Siju Thomas and Mr. Lal Babu of Wings to Win. The main objective of this programme was to build more leadership qualities, how to face obstacles with a positive attitude. The students of BCA Semester 1, batch 1 and batch 2 were divided into certain groups and given team works which enhanced our capability and also proved that "TOGETHER EVERYONE ACHIEVES MORE".</p> <p>The main highlight of this programme was that, each one was given a chance to speak through the mike on the stage. The students were asked to count about their achievements and blessings which made them more positive.</p> <p>On the second day, they were separated and introduced into new groups which made us interact with many more. They were given a motivational session by Mr. Siju Thomas who told about his story which was very inspiring which made them think that they could achieve anything if they have the courage to give up fear.</p> <p>In the last session, Lal sir talked about families, their emotional bonding with them, it's necessities, social relationships etc. which was an eye-opener for many, to forgive and forget and to build good bonding with people.</p> <p>At the end of the 2 days session they were able to strike out their fears and have a new enlightenment towards life...</p>
