Report	<p>It is for the first time in the history of Kristu Jyoti College of Management and Technology a Science Exhibition ‘ZEPHYR’ was conducted by BCA semester 2, department of Computer Application in association with Innovus lab on April 1st 2022. The exhibition was inaugurated by Rev. Fr. Joshy Cheeramkuzhy CMI , Principal of Kristu Jyoti College of Management and Technology. Our Principal addressed the gathering. Our Vice Principal Dr. Varghese Antony, Mr. Roji Thomas, HOD- Computer Application and teachers from various departments were present for the inauguration. It has become huge success with the coordination and participation of all other departments. Almost all the staff and students visited the exhibition stall and give their valuable feed back. Other than this exhibition, Innovus lab team had kept some models and explained them too. There was also a Rubix cube solving challenge by Innovus team.</p> <p>There were eight working and five still model for the competition. The judges evaluated each model and announced the prizes. During the valedictory function, our principal Rev.</p>	

Fr. Joshy Cheeramkuzhy CMI gave with cash prize and certificate to the winners of working and still model. Participation certificate was also given.

Winners of Working model:
