Report	<p>The Post Graduate Department of Computer Application has organized a Basic Life Skill Programme for our students as well as faculties. The session was handled by Sajimon Joseph, Station Officer, Kerala Fire and Rescue Services, Changanacherry accompanied by two Firemen, Vinod and Sajimon.</p> <p>The officers explained basic techniques for emergency rescue for ourselves and to save others from fire and natural calamities like flood. Through the session, the officers demonstrated activities like giving CPR, and helping a person who is choking. Also, they have narrated the operations of various fire extinguishers, and helped the students to use them as well. The session was indeed a fruitful and interesting experience</p>
