Dear M/S. KRISTU JYOTI COLLEGE OF MANAGEMENT AND TECHNOLOGY,

Thank you for being a part of the SOS India Family and supporting our campaign **#NOCHILDALONE**. This button represents the **Donate** button, and as the name suggests, it ensures positive change in the lives of the most vulnerable children by empowering them.

There are more than 2 crore children in India, who do not receive adequate parental care or are at a high risk of abandonment. This number is estimated to rise to approximately 2.4 crores by the year 2022, and looking ahead to the serious challenge ahead, we have impacted the lives of more than 45,000 children, and still have much to do, ensuring wholesome child development.

You serve as an integral part of the change we all wish to see for children, communities and the nation at large. Thank you, once again, for being a part of this endeavour of bringing about positive and sustainable change for children.

Greetings from SOS Children's Villages of India - Cochin

We are very pleased to thank each one of you for your efforts in making the education of our needy children in SOS Children's Village possible. The money that you invest in the lives of parentless and abandoned children, not only gives them a new lease of life and a fresh chance to grow in a long term family based care, but also facilitates us to pay attention to their all-inclusive growth and development.

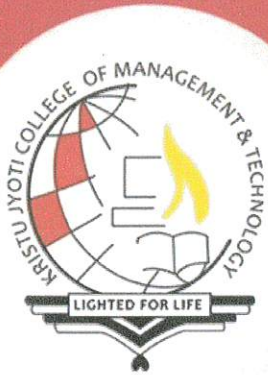

We believe we can count on you for long term support. After all, our children also deserves a second chance!

Thank You
