Two Day Faculty Development Programme on Generative AI

Title	Two days Faculty Development Programme on Generative AI
Date	14-11-2024 &15-11-2024
Resource person	Srishti Innovative Computer Systems Pvt Ltd
Total attendance	54

Report

Faculty Development Programme on Generative AI was organised by Internal Quality Assurance Cell on 14th November 2024 and 15th November 2024 at Computer Lab II. The resource person for the day was Srishti Innovative Computer Systems Pvt Ltd.

Generative AI refers to a type of artificial intelligence that can generate new, original content, such as images, videos, text, or music. It uses machine learning algorithms to learn patterns and structures from large datasets and then applies this knowledge to create new, unique outputs.

Generative AI has many applications, including: Art and design: generating new images, videos, or music Writing and storytelling: generating new text, articles, or stories Virtual reality: generating new environments and objects Data augmentation: generating new data to augment existing datasets

Faculty Development programme on Binary Accreditation

Title	Faculty Development programme on Binary Accreditation
Date	05.02.2025
Resource person	Dr Anu Antony IQAC Coordinator, Kristu Jyoti College of Management and Technology
Total attendance	82

Report

Internal Quality Assurance Cell on 05.02.2025 organised Faculty Development programme on Binary Accreditation. The resource person for the day was Dr. Anu Antony, IQAC Coordinator, Kristu Jyoti College of Management and Technology. The programme was conducted at Conference Hall. The basic objective of the Session was to understanding the Binary Accreditation process. The FDP aims to familiarize faculty with the new framework, including its key attributes and the implications of the binary system. The FDP will specifically address the new NAAC Binary Accreditation framework, which replaces the multi-tier grading system with a simplified "Accredited" or "Not Accredited" status. The programme concluded successfully, with participants expressing appreciation for the insightful discussions and Dr. Anu Antony's skilled moderation of the sessions.
