# Anti-Ragging Cell 2025-2026

An Anti-Ragging Cell is a body or committee formed within a college or educational institution to prevent and combat the act of ragging. Ragging can be physical or psychologicalin nature, and it can have serious and long-lasting effects on the victim, including emotional trauma, depression. and even suicide.

The Anti-Ragging Cell is responsible for creating a safe and welcoming environment for students, and it is tasked with identifying and preventing any instances of ragging that occur within the college. The cell consists ot faculty members who are trained to recognize the signs o1 ragging and to take appropriate action to prevent it. In addition to preventing ragging, the Anti-Ragging Cell also provides support and assistance to students who have been victims of ragging. This can include counseling, medical treatment, and legal assistance if necessary.

As per the directives of the University Grants Commission (UGC) it is mandatory foi all colleges and educational institutions in India to establish an Anti-Ragging Cell, and any acts of ragging can result in severe disciplinary action, including expulsion from the institution andeven legal prosecution.

**Objectives**
